

COMPANY PARTICIPATION FORM

**Canada Pavilion - Photonics West 2011
The Moscone Center (Booth # 5006)
San Francisco, California
25-27 January, 2011**

Organized in collaboration with Canadian Photonics Consortium, the Canadian Photonics Fabrication Centre, the Quebec Photonic Network and the support of the International Photonics Commercialization Alliance

To become a participant in the Canada Pavilion and, thus, to receive government support, a company must be legally incorporated in Canada and meet at least one of the following criteria:

1. perform photonics research or development in Canada; and/or
2. manufacture photonics materials or components or devices or systems in Canada; and/or
3. provide technical, financial or business services in the photonics domain in Canada.

Canadian-based photonics industry associations and institutions also qualify for participation in the Canada Pavilion.
